# Message from the president

**DAYTONA** was established in 1972 and ever since then, we have been trying to create rider-friendly products by pursuing the needs of riders and understanding how to provide them with enjoyable riding conditions.

The R&D team is made up of motorcycle enthusiasts who are always aiming at developing needed products to support riders.

**DAYTONA** is a top brand name in Japan, assisted by many customers and suppliers.

We hope that all motorcycle lovers around the world would have a chance to use our products and experience what we are able to create.

Truly yours,

  
Tetsu, Tetsuji Oda
